## WHERE WE WORK

### “The Miracle Mile”

Within a one-mile radius of the center of this “Miracle Mile” 20,000 people reside, of which about 5,000 are under nineteen years of age. Many come from single parent families. Over 20% of these residents’ income is less than \$15,000 a year. We focus on this area, praying for God to do a miracle that will bring transformation to this community through Jesus Christ.

## WHAT WE DO

*LHM offers several opportunities for the spiritual, social, academic, and physical growth of youth from the ages of two to eighteen.*

### Current LHM programs:

**One by One Tutoring** - Tutoring throughout the school year for K-9

**“Transformers”** - A kids club program for age 2–6th grade, developing children’s spiritual and moral character.

**Youth Group** - Teaching and discipling students in grades 7-12

**Vacation Bible School** - Fun, Bible-based programs for children age 2 through 6th grade offered during the summer

**Day Camp** - A summer program for elementary age children that assists their academic and spiritual development

**Sports** - LHM has a track team each spring for kids ages 9-16 that competes with others through the Minneapolis Park Board. We also offer sports camps in the summer and are starting a basketball team next year.

**Service Projects** - to empower youth and help the community

**Meals** and/or snacks are served to children and youth involved in each LHM program to provide for nutritional needs
