# Living Hope Ministries

## Mission Minneapolis 2010

*Bringing Christ to the City~  
The City to Christ*

# Living Hope Ministries

## Miracle Mile

The general geographic boundary of the Miracle Mile is approximately one square mile. North/South between Lowry and Broadway and East/West between Central and University. In this area between 5,000—7,000 children reside in households with an average annual gross income at or below the poverty line, many of whom are from single parent families.

# Mission Minneapolis

Impact the children of Northeast Minneapolis by partnering with Living Hope Ministries for a week of summer missions. Put your faith in action as you serve and see God in a new way while sharing the love of Christ with at-risk children.
