

Who We Are

Living Hope Ministries is a Christian Organization in Northeast Minneapolis whose purpose is to reach at-risk inner-city children with the gospel and love of Christ in both word and deed. Our mission is to see hearts transformed by restoring hope.

What We Do

LHM offers many opportunities for the spiritual, social, academic, and physical development of youth between the ages of 2 and 18 and seeks to strengthen their families.

Where we work:

“The Miracle Mile”

We focus on a small area of Minneapolis—about 1 square mile spanning North/South between Lowry and Broadway and East/West between Central and University. Over 5,000 children reside in this small area, and the average household income is at or below the poverty line. Many are from single parent families. Many do not know Jesus.
