

**About Living Hope Ministries:**

Living Hope Ministries, founded in 1993, is a Christ-centered organization in the heart of Northeast Minneapolis which desires to see transformation in this community through the hope of Jesus Christ. In a community affected by poverty and broken families, we partner with families for the healthy spiritual, social, academic, and physical development of children and teens.

# Summer Opportunities at Living Hope Ministries

Living Hope Ministries is looking for men and women who desire to joyfully serve the LORD—and grow nearer to Him in the process.

Could this be where God is calling you?

- ◆ Build relationships with children and families in the city
- ◆ Learn about ministry in a diverse urban setting
- ◆ Equip teens for ministry
- ◆ Get out of your comfort zone
- ◆ See God at work, and grow in your faith!

## About our summer ministry:

This summer, we plan to provide 6 weeks of programs for kids in the community. We will also meet regularly with youth for Bible studies and service projects. Each child hears the gospel of Jesus Christ and experiences His love.

None of this would be possible without committed summer staff and ongoing partnerships with several churches. Last year 10 churches sent youth teams to serve with us for a week of the summer, and many will be back this year. These teens learn to serve and see God at work, and we have the opportunity to equip them for ministry and send them home changed.

## Full-time Positions for June-July 2012:

**Meal Coordinator-** Prepare meals for the mission teams that will be serving with us throughout the summer.

**Group Hosts-** Work with the mission teams, equipping them to minister effectively to the children; coordinate service projects.

**Youth Mentors-** Work with a group of teen girls or guys of NE Minneapolis, mentoring students and co-leading Bible studies, service projects, and a mission trip.

**Fishing For Life Coordinator-** Take students from the community and visiting mission teams on fishing outings as part of our Fishing for Life fundraiser.

## Other skills we are seeking:

- Administration
- Leading worship
- Conversational Spanish
- CDL license for driving our bus

## Raising Support

Living Hope's staff members see God at work through the body of Christ as they raise their own support. Staff members seek out prayer and financial partners to raise \$3000 for their summer income. Living Hope provides training for the support raising process.

## Living in the City

Living among the people is important to us! Summer staff members are required to live in Northeast Minneapolis for the months of June and July. Living Hope will assist in finding housing.
